

2017

Annual Commitment Opportunities

**HOME BUILDERS
FOUNDATION
of METRO DENVER**

ACCESSIBILITY
accessing the possibilities

About the HBF - *The mission of the Home Builders Foundation is to provide accessibility solutions and home modifications for individuals with disabilities and financial need through the collaborated efforts of the building industry.*

The Home Builders Foundation (HBF) provides home modifications at no cost for individuals with a physical disability and financial need. Each HBF project helps an individual remain at home with dignity and independence, improving the recipient's quality of life. HBF recipients typically fall into three categories: those with long-term physical disabilities, those with a spinal cord injury and senior citizens. The criteria for eligibility are: accessibility need, financial need, home ownership and location (the HBF serves the 8-county Denver metro area). To complete these projects the HBF partners with the home building industry and leverages resources to maximize money donated.

Why Sponsor - Because you can make a difference! With your sponsorship, you have the opportunity to help the HBF complete projects that directly impact someone's life.

The HBF aims to be the charity of choice for the metro Denver home building industry. A partnership with the HBF demonstrates a company's commitment to the community, and allows your company to use its unique talents and resources to help those with disabilities in the Denver metro area.

Some highlights of participating at an annual level include:

- One-time commitment for recognition at 2017 fundraising events and project-based support opportunities
- Flexible payment options
- High visibility within the HBF network of supporters

Project/Organizational Sponsorship Opportunities

Unskilled Volunteer Program – In 2015, the HBF piloted an unskilled volunteer program to give opportunities for project involvement to individuals and groups that may not have building experience. This program has had continued and increased success through 2016 (stats are coming soon). Help offset the cost of continuing this volunteer program in 2017. In return, your company will be featured on the volunteer t-shirt that is given to all volunteers. Your company will also be highlighted in one e-newsletter that focuses on volunteer projects and participation, and included in press release associated with these projects.

- \$5,000 (exclusive)
- \$2,500
- \$1,000
- \$500
- ____other

General Contribution – General contributions help the HBF offset the costs of projects and general operating costs.

- \$5,000
- \$2,500
- \$1,000
- ____other

Project Specific Support – Is there a specific type of project that means a lot to you? Let us know what sort of work you would like your funds to support! With this contribution, you will be included in all project specific materials – included in the project section of the website, on social media posts and included in press releases associated with this project.

- \$5,000
- \$2,500
- \$1,000
- ____other

In Kind Contribution – Your in kind contribution helps the HBF offset the costs of projects. This allows the HBF to stretch all financial contributions even further. As part of your in kind contribution, your company will receive recognition at the project site and in the wrap-up and possible media mentions.

- _____

** In kind contributions are based on actual costs, and must be pre-approved by the HBF.*
